## EXPERIENCE

---

### Fellowship in Full Stack Software Development | Crio.Do

December 2023 - Present

A fellowship program in software development involving the development of several industry grade frontend and full-stack projects.

- Gained valuable experience in creating frontend projects using technologies such as Linux, HTML, CSS, Javascript, **React**, Redux, **Redux-Toolkit**, Live Server, Developer Tools, Redux Dev Tool.
- I have also learned about version control and test-driven development.
- Solved close to 100 Data Structure and Algorithms Problems on the platform.

## PROJECTS

---

### QTrip [[Live Link](#)]

February 2023 – March 2023

**Skills :** HTML, CSS, Bootstrap, JavaScript, DOM, Rest API, JSON

QTrip is a travel website aimed at travelers looking for a multitude of adventure in different cities.

- Build three different pages: landing page, adventure page and adventure booking page.
- Built using HTML, CSS, Bootstrap and **JavaScript** from scratch and improved UX with multi-select filters, image carousels and debounce searching.
- Utilized local storage to persist user preferences at client-side.

### Xboard [[Live Link](#)]

**Skills :** HTML, CSS, Bootstrap, JavaScript, Figma

XBoard is a News Feed website that will feature the latest news for select topics from Flipboard.

- Built XBoard using HTML, CSS, **Bootstrap** and JavaScript from scratch.
- Used Accordions image Carousel and applied Dark and Light mode to improve UI.
- Fetched news content from flipboard's RSS feed using REST API.

### Weather-forecast [[Github Link](#)]

**Skills:** JSX, CSS, Tailwind CSS, Javascript, Next JS, React, API

Weather forecast is a web app which show the weather for all the cities of india.

- Built weather forecast using JSX, Next js, tailwind css, javascript and weather api from scratch.
- I have used tail block css for creating navbar and footer and also used for some main content.
- I have fetch the weather forecast data using useEffect Hook and use the axios method for calling the api.

# EDUCATION

---
